

The Maranatha House

Dear Family,

The Oak is in The Acorn is a non-profit, 501c(3) ministry that was founded in Oroville, California by young adults with a desire to share the love of Christ with their family, friends, co-workers and community. Since 2009, the time of its establishment, the ministry has shared the Gospel in many different cities throughout North America through sponsored Gospel Workers, evangelistic crusades, media, and by a health food and Christian bookstore. As the city of Oroville continues to see rising problems with drugs and alcohol, The Oak ministry has a goal to share the love of Christ with people in the community through the avenue of recovery. The vehicle with which we plan to share Christ's love is The Maranatha House.

The Maranatha House has four goals. The immediate goal is to have a Sober Living Environment, which will give the needed opportunity to those who are in recovery, from either drugs or alcohol, to help be reintegrated back into society to be positive members of the community. In the future, we plan to establish a Drug and Alcohol Treatment Center and an Inpatient Detox Clinic. The final goal of The Maranatha House will be to provide a Homeless Shelter to assist Oroville with the rising number of people who are suffering from homelessness. The main goal for The Maranatha House is to introduce those who are suffering from drug or alcohol addictions to Jesus, and to His rehabilitating and restoring power.

At this point, you may be asking yourself, what can I do to help? A non-profit community project such as The Maranatha House requires a lot of compassion and love, and that is where you can help. We need volunteers, financial contributions, and much prayer. We need to raise funds for the costs involved with starting the first phase of The Maranatha House, which is to open a Sober Living Environment for women, as there is an immediate and unmet need specifically for women in Oroville. We need to raise \$8,000.00 by the end of May 2017, for the startup costs for things such as licensing, housing, beds, various fees, etc. If you contribute to our startup costs, or if you decide to donate monthly, you will receive a tax-deductible receipt. Also, in appreciation of your contribution, we will send you a quarterly newsletter of the success stories and testimonies of those who have been blessed through your generous contributions. The newsletter will be entitled "Treasures of the Heart," as every soul in recovery is one of God's treasures, and once someone is introduced to Jesus and recovery, they become an outward expression of an inward change.

If you are impressed to contribute financially, please remember that from \$5.00 to \$5,000.00, whether small or large, every gift helps prepare a soul to wear a crown of honor in the City of Gold. Thank you for giving hope to individuals and families in the community of Oroville.

May God bless,
